- Confidentiality & Compliance
- Empathy & Client Relationship Building

PROFILE

Legal Intake Specialist with 3 years of experience in personal injury, family law, and employment law. Skilled in client intake, case screening, and supporting attorneys with detailed documentation. Adept at managing high call volumes, providing clear communication, and ensuring accurate case management.

WORK EXPERIENCE

Whalley Law 2025 - 2026
Intake Specialist

- Conduct initial client interviews to gather case details and determine eligibility for legal services.
- Screen potential clients for Washington State family law, employment law, and personal injury matters.
- Coordinate consultations with attorneys and ensure accurate documentation in the firm's case management system.

Morgan & Morgan 2023 - 2025
Intake & Claims Specialist

- Handled high-volume inbound/outbound calls for potential personal injury cases.
- Collected and documented accident, liability, and insurance data in the CRM.
- Coordinated with attorneys and case managers to escalate qualified cases.

KEY ACHIEVEMENTS

- Successfully handled high-volume client intake calls while maintaining accuracy in case documentation.
- Identified and qualified potential cases for attorney review across multiple practice areas.
- Maintained strong client communication, ensuring a smooth intake and consultation scheduling process.
